**30 minute session,** 2 tables where members questions and help  
topics are dealt with  
by experienced photographers.

The next three month's Set Subjects purposely reflect the past three months  
**TUTORIALS.**

In order for Tutorials to be meaningful, helpful, inspirational even, members need to  
at least attempt to use the information they gain from these sessions.

**BRIEFING NOTES** have been prepared for all previous Tutorial sessions, they are  
available to view or download from the Chiltern U3A Website under Photography  
Group.

By bringing along your attempts at creating images based on Tutorials we can discuss,  
advise and impart ant necessary help which will guide you towards creating better  
images.

A warm welcome awaits visitors and new members, no prior booking necessary, turn  
up on the day.
