Action Medical Research - Autumn Gift Fair

"At Action we save and change children's lives through medical research.

We believe that the diseases that devastate the lives of so many of our children can be beaten. We have been funding medical breakthroughs since we began in 1952 like the first polio vaccines in the UK, ultrasound in pregnancy and the rubella vaccine - helping to save thousands of children's lives and change many more.

Begin your Christmas shopping at our Autumn Gift Fair set in stunning surroundings in the heart of the Chiltern countryside.

You are invited to browse and shop at our 50 plus tables selling such items as distinctive clothing and cashmere, unique jewelry, accessories to adorn you and your home, British artisan produce, chocolates, books, fresh and silk flowers, homemade cakes, our charity Christmas cards and much more."

THE LARGE MUNSTERLANDER CLUB

The Club holds its Working Test on the Hall Barn Estate in July when owners can enjoy the weekend camping in Pigeon House Close.

Estate is an ideal location for their dogs to perform the various elements of the tests which include hunting over a variety of terrain, retrieving where dogs and handlers are assessed for their ability to retrieve a dummy and a water retrieve section.
