			Is more education the answer to every political question
			(Reference material)
17th August 2020	Terry Glover	The Road to somewhere	David Goodhart's book 'The Road To Somewhere'.
			Our main political parties were formed in response to a society that no longer exists. Today, political allegiance is driven more by cultural values than socioeconomic interests. He explores how new 'tribes' are shaping British politics and what this means for social cohesion and future political and economic policy.
